

Ce Zhao

Room 204, Unit 2, Building 4, Jingang Garden, Xiangshan County, Ningbo City, China
Tel: (086) 13522178333; E-mail: zhaoce.scut@gmail.com

EDUCATION

South China University of Technology (SCUT), GuangZhou, China
Bachelor of Biomedical Engineering

Sep. 2020-Present
Expected in June 2024

RESEARCH EXPERIENCE

1、 Undergraduate Scientific and Technological lab project, SCUT

Project: “student research project in South China University of Technology”, 2022-Present

Project Member

2、 **Project:** “Optimized Nanocarrier Properties to Enhance Messenger RNA Delivery Efficiency”, 2022-Present

Project Member

3、 Upcoming publication of two papers in a third region journal

First author

4、 Filed two invention patent applyments (one was authorized)

First inventor or co-inventor

ACTIVITIES & AWARDS

The Third Prize in technology and innovation competition, SCUT

Oct. 2020

The Champion in football match, SCUT

May. 2021

LANGUAGES & SKILLS

Languages: English (The medium of instruction is English), Mandarin (Native), German (B1)

Computer skills: Microsoft office (Word, Excel, Access and PowerPoint), python, MATLAB, solidworks, Malvern Zetasizer Software;

Experiment skills: anatomy, PCR, FCM, Gel electrophoresis, western blot, southern blot, RNA extraction, cell culture, Cell cryopreservation, cell resuscitation, protein detection, protein separation, Nanoparticle preparation, nanoparticle transduction, plasmid extraction, plasmid transduction, Molecular Cloning; former professional football player;

Good at roller skating, speed skating and skiing, and good at piano and saxophone; learning piano tuning.
